

# EXARO®

Knowledgeable and Certified Support Team

**Building Relations starts here..... EXARO.**  
Mutual success can only be achieved through  
a synergistic team spirit that focuses on project success.

Since March 2002 to March 2005 EXARO continues to reinvent processes  
and approach. Always looking to improve all aspects of the work.  
Our level of commitment is demonstrated daily in our efforts to  
provide high quality services, tailored to the clients' wants, designed to  
meet their needs, and delivered to meet their schedule.

EXARO is the only Union Contractor in California specializing in  
infrastructure protection via services like Utility Locating,
